*Important COVID-19 info

Safety and health is our highest priority. We spoke with every class venue to confirm state safety recommendations are met and exceeded. To help us help keep Georgians safe, please

- Facemask are recommended. If you do not have a facemask, please use one of our disposable ones
- Know social distancing and proper hygiene requirements will be followed
- PRE-REGISTER - During this challenging time, it will be EXTREMELY helpful if you pre-register. However, we are thankful we can still register you at the door.

We confirmed all above venues. In the 24-years we've taught CE, we've only had to reschedule ONE class at the last minute due to snow. With that being said, there is *the slightest* possibility COVID-19 issues in Georgia MAY arise that could prevent us from conducting a class. If this happens, we will update our website as well as make phone calls. We recommend you check the website or feel free to call us the day before a class to confirm. IF a class is cancelled, please visit TheReallySmartPeople.com to take your hours via the **LIVE Webinar**.

LIVE Webinars

- ALL LICENSES** may use our LIVE Webinars to fulfill ALL Continuing Education hours.
- To take the LIVE Webinar, visit TheReallySmartPeople.com for all the information you need.
- Webinars will be held on the same date/time as our in-person classes above.
- One "Last Minute" Webinar will be held on Mon, June 28 at 8:30am.

**Residential Basic/Light Commercial Contractors: Due to COVID-19, you may take the in-person portion of your CE hours via LIVE Webinar for 2020.

AS ALWAYS - If you have ANY questions or issues arise, please call us at 912-882-3424.

It's our job to make this as easy for you as possible!
